

TWIN CITY LAB

Are you up for strong international connections between cities? // Are you somehow tired of the old ideas and formats of exchange? // Do you love to share your ideas and experiences?

If you believe that twinning cities still can make a difference in a globalized world, then let's get together.

Call for Application

Twin City BarCamp

Tbilisi (Georgia) // 18 – 21 Nov 2021

The Twin City Lab is going to host a BarCamp in Tbilisi from Nov 18 - 21, 2021.
Be part of the movement. Apply now.

With our TwinCity-BarCamp we like to

- ... connect creators and makers
- ... collect and share best practice as well as fuck-up-experiences
- ... enable you to think big
- ... develop new ideas
- ... engage people and communities in twinning cities
- ... create new formats of interaction, exchange and intercultural learning

Our TwinCity-BarCamp centers around your knowledge, experience, ideas, and interests. This means:

- ▶ There is no pre-scheduled programme.
- ▶ All participants are invited to pitch their topics to create the programme.
- ▶ Not familiar with BarCamps? Go to www.twincitylab.net/barcamp-faq

Participation:

You can apply for the BarCamp, if you

- are involved in exciting projects and activities in the context of twinning cities or city-partnerships or have inspiring ideas
- know the challenges of building strong connections between people and cities
- are living in Belarus, Georgia, Germany, Russia or Ukraine
- have strong interest in developing new ways of linking people from twinning cities
- are able to communicate English
- eager to contribute vivid sessions to an interactive event format

Cost coverage

The following costs will be covered

- International / national return tickets (to and from Georgia)
- Public Transport for barcamp purposes
- Entrance fees/costs for excursions
- Accommodation and catering during the BarCamp

Application

Please fill in the online-form: www.twincitylab.net/application

Applications are processed in the order of submission. Apply now!

Should you have any questions, please do not hesitate to contact our project manager: ivan@twincitylab.net
